

Steps To Create An Account

1. Once the PWA app is installed on your mobile, open it up.
2. If you don't have an account yet, you will need to create one. Click the "Sign Up" link on the Sign In screen.
3. You will be redirected to the Sign Up form where you can enter your details, such as your name, email address, and create a password.

Note: All fields are required and your password must be 8 characters or more.

4. After submitting the Sign Up form, check your email inbox for a verification email from the platform. If you don't see it, check your spam or junk folder.

5. Click the verification link, in the email received, to activate your account. You will be redirected back to the Sign In form.

6. Enter your email address and password on the Sign In form to log into the app.

7. The first time you log in you'll need to setup a Pin. You will be prompted to re-enter the Pin on the next screen to continue to the Home screen.

Note: The Pin is required and must be a minimum of 4 digits.
